RE: Mallard Lake Landfill

Dear Mr. Nelson:

As requested in your letter of May 30, 1985, please find attached various permits and manifests of waste deposited at Mallard Lake Landfill from 1977 to present. Also attached are monitoring well data from sampling in 1984.

The District would appreciate receiving a copy of your evaluative report when completed by U.S. E.P.A.. If you need any further information please call me.

Sincerely,

Richard L. Nitt
Superintendent of
Government Services
